Text:

## Childhood memories

When my father was young, he used to live in a farm. His parents used to raise animals, cows, sheep and chicken. They used to get up early to feed the animals and milk the cows. They used to cook on wood.

All the family used to drink cow's milk. They didn't use to eat food which came from the market, they ate natural food (fruits and vegetables) that came from their garden. Life then was hard.
