English assessment n°2 of the first Term

Text

English people don't eat any bread during their meals and they only drink a cup of tea or coffee after them. Mrs Black has between seven and ten cups of tea every day.

Mrs Black goes to the supermarket once a week. She doesn't like cooking, but every Friday morning, she buys a lot of things because her family eats a lot. Every morning, Mr Black gets up at seven o'clock. He has his breakfast at 7:30. He eats eggs and a tomato cooked in butter, three pieces of toast with butter and a cup of tea. His wife and daughter get up at 7:45. Mrs Black drinks a cup of tea, but Polly prefers white coffee.
