First term test N°2

My name is Sam. I am the second child in my family and the sweetest one. I am a clever, active and hard-working boy .Everyone in my family calls my name when they need help , so I am the hero of all of them .My favorite hobby is photography. When I have time I take my camera and take lots of pictures. I photograph the world around me. I get up in the morning and go to the garden or the forest looking for birds. I try to take pictures of them especially pigeons. At home, my dad helps me to choose the best photos. I send them to magazines. I won a photo competition once.

        I also like both computer games and board games. We have one computer at home but sometimes Dad brings home his laptop and we can play a network game .I also adore board games. I can play Monopoly or Scrabble with Dad or Mum.

When I'm outside with my friends I feel myself more interested in plants and gardening. I often ask them to go with me to the mountains to look for rare spices of plants and we bring some to plant them in my grandparents' big farm. My interests and hobbies are really the wonderful things which add to my life flavor.
