

The text:

Mother: After a long period of study, you are finally in 4MS and you'll pass your Brevet exam in a few months to come. Now you know many things about your country and the world around you. You will have to make important choices. Some students will look for a job, others will keep on studying. You will have to decide what to do in the future. What about you son?

Son: Well mum. You know I dislike being ordinary and passive. As I am ambitious, I want to be an important officer in the Algerian Army. That's why I will opt for the technical stream. I'll work as hard as I can in high school. If I pass my Baccalaureate with high grades, I'll get a scholarship. I'll choose to go to a foreign country to study military aviation in order to become a skillful aircraft pilot. After I finish my training, I'll come again to serve my country.

Mother: You know you are important to your family and your community. You must realize that your attitude will build your future and the future starts today. May God realize all your dreams.
